## MIKE DYER ~ CARHENGGE, ALLIANCE, NE

"A bit off the beaten path but well worth the detour. To see partially buried vintage cars that were on the street when I was a kid brings back some great memories. The Nebraska

grassland and wide open skies really bring out the enormity of the exhibit."

Mike Dyer, also known as our Grand Poobah, is the cornerstone of our team and the foundation that Dyer Law has been built upon since 1992. With the personal experience of an injury that ended his first career, he knows first-hand how injuries can change people's lives. He brings that unique personal perspective and compassion for helping injured people to work every day.

## JODY BATENHORST ~ NIOBRARA RIVER

"As a child the Niobrara River was the back drop for quite a few family camping and canoeing trips. It has continued to be a favorite summer time destination for weekend tubing trips with friends."

Over five years ago, Jody Batenhorst became a part of our paralegal team and has successfully been learning the ropes along the way. Her quiet, yet confident voice is the one you will likely hear if you are calling our Omaha office.

## TANIA LOHRMAN ~ LAKE MCCONAUGHY

"My dad took my sister and me on a weeklong camping trip to Lake McConaughy when I was about 10. It was my favorite camping trip when I was a kid, and I was struck by how beautiful it was. I've been back a few times since, although I've not been lucky enough to stay for longer than a day since that first trip."

It's been over eight years since Tania Lohrman joined our paralegal team. Tania has experience in many different types of claims and has basically taken over the responsibility of working alongside Kelly on the majority of our employment claims.

## DAVID HANDLEY ~ INTERSTATE 80

"Representing clients across Nebraska has given me an opportunity to travel the I-80 corridor. This corridor, along with the people and places I have experienced along the way, has given me an even greater appreciation for what 'The Good Life' is all about."

David Handley heads our Workers' Compensation trial team. Already this year, he has tried several cases before the Judges of The Nebraska Workers' Compensation Court and has argued a case before The Nebraska Supreme Court. He has traveled many miles since joining our team in 2006 to meet and help injured Nebraskans all across our state. David's spirited style and client commitment have been great assets to our team.

### KELLY BRANDON ~ NEBRASKA VOLLEYBALL

"Nebraska volleyball, from youth leagues to college ball, holds a very intimate place in my family's schedule. It was with great anticipation that we waited for the new Husker complex in Lincoln to be finished. We look forward to every opportunity that we have to experience volleyball in the new complex."

*Kelly Brandon is the heart and soul of our employment law practice. Since joining our firm in 2010, she has been the voice for many Nebraskans with employment related claims. Her homegrown work ethic is evident in this Nebraska native. It's no coincidence that she is currently handling two high-profile employment claims. Her hard work and client advocacy have earned her respect and referrals from clients and colleagues alike.*

### LISA FISCHER ~ HENRY DOORLY ZOO

"Every summer we plan a trip to the zoo, we'll usually several, but one where all the children make a point to be in attendance. We pack coolers with lunches, drinks, and snacks and spend the whole day. As the grandchildren grow and more come along, it just adds that much more meaning to our summer family zoo visit."

*Lisa Fischer joined our paralegal team in 2007 and was our first official employee in our Lincoln office when it opened in 2007. She has the friendly voice you will hear if you are calling the Lincoln office.*

### LORI SCHMIDT ~ NEBRASKA FOOTBALL

"Very few things beat the sound of a thunderous crowd, the smell of steaming Husker hot dogs and the sight of the 'Big Red' on a beautiful fall Saturday in Memorial Stadium."

*Lori Schmidt is our veteran paralegal and has been a part of our team for over ten years. In addition to working on our more complex claims, she also oversees the work of our paralegal team.*

### LECOLE MCMILLON ~ OMAHA CHILDREN'S MUSEUM

"As my daughter gets older, I'm finding that Omaha has quite a few things that she can enjoy. One such thing is the Omaha Children's Museum. I can't wait for an opportunity to take her there and watch her explore."

*Lecole McMillon has been a paralegal on our team for nine years. If you happen to receive a worker's compensation check through our office, she is the glue that keeps that system together.*
